Re: 14th IHSAA Football Finals

Last year's state football championships in the Hoosier Dome attracted a record crowd of 37,616. For the first time, all 316 football playing schools were eligible to enter the playoffs and this new tournament system has become a very popular change.

The Indiana High School Athletic Association takes a lot of pride in all of its state tournaments. Not many states have a football tournament structure to rival the one that has been developed for our gifted young athletes in the Hoosier state.

Not many have an opportunity to play a championship game in such an outstanding football stadium.

Our congratulations go to all football playing schools and more specifically to the 10 State Finalists enjoying this week's exciting trip to Indianapolis' 61,000-seat Hoosier Dome. It's a rewarding experience for the coaches and the players who have worked so hard to reach this lofty goal.

We also salute the fans as well as the print and broadcast media for their continued support. Sometimes we forget to count all of our many blessings and Indiana's high school program owes its success to a lot of good friends.

# Snider-Carmel Showdown Rematch of 1981

Long introductions won't be needed when No. 1 ranked Fort Wayne Snider and No. 2 Carmel collide for the Class 5-A title in the Indiana High School Athletic Association's 14th State Finals Football Tournament at Indianapolis' Hoosier Dome.

Both had identical 13-0 unbeaten records five years ago when they met for the 3-A state championship and Carmel was the winner by a convincing 27-0 score. That was before the Hoosier state's football tournament was expanded to four classes in 1983 and five classes in 1985.

This year's rematch in the 4 p.m. Saturday afternoon contest (televised state-wide by Channel 4) should be a natural. It features the state's leading scorer and ground gainer, Vaughn Dunbar of Snider. Only 3 players in state football history have scored more points in one season than Dunbar's 228.

Snider advanced with a 20-14 victory over Valparaiso in last week's Semi-State round while Carmel hammered out an impressive 37-14 victory over Perry Meridian. For Carmel, it will be the fifth appearance in a state championship game and the Greyhounds are shooting for their fourth IHSAA football trophy.

Carmel won state championships in 1978 (under Dick Dullaghan), 1980 and 1981 with Jim Belden as the coach.

Three games are booked for Friday in the second year for the IHSAA tournament involving all 311 football playing schools. North Judson (13-0) will oppose South Putnam (10-3) in the Class A final at 12:30 p.m.; Whitko (13-0) faces Tell City (10-3) in Class 2-A at 4:00 p.m., and NorthWood (12-1) tackles Indianapolis Cathedral (11-2) in Class 3-A at 7:30 p.m.

North Judson was runner-up twice in 1980 and 1984 with Sheridan winning the state title both times. Cathedral also is a 2-time state runner-up losing to South Bend Washington in the first football play-off in 1973 and to Merrillville in 1976.

DeKalb (12-1) and Franklin Central (12-1) will battle for the Class 4-A state title in Saturday's 12:30 p.m. opener.

Franklin Central became the only team to win three straight state championships in 1980-82 for Coach Chuck Stephens. Mishawaka Marian won three in four years coached by Mike Hecklinski in the early years, the first one in Class A and two more in Class 2-A from 1973-76.

Russ Radtke's No. 1 ranked North Judson Class A power had to go overtime to down Adams Central in their Semi-State cliff hanger, 17-14. The Bluejays blocked a field goal attempt on the final play in regulation to take it into overtime. John Pacilio won it with a 19-yard field goal.

Snider bulldozed its way to 278 yards on the ground with Herb Jackson contributing 110 and Dunbar adding 98 against Valpo. Brock Rohrbacher scored twice for the Panthers who limited Valparaiso to just 37 yards rushing.

Carmel piled up 362 yards in their Semi-State performance against Perry Meridian and took control in the opening minutes. The Hounds opened up a commanding 21-0 lead at the start of the second quarter and were in no danger the rest of the way.

South Putnam's Bruce Bridgewater turned in perhaps the outstanding individual effort in the 10 Semi-State games. Bridgewater carried for 162 of South Putnam's 164 yards in a 14-6 Class A win over Linton. He also caught six passes and intercepted one in the end zone.

Cathedral pulled away from Batesville in the second half of their 42-14 Class 3-A encounter, paced by Jimmy Allen who wound up with 172 yards in 20 carries. NorthWood displayed a stingy defense in its 21-3 win over West Lafayette although it was a 7-0 ball game at half-time.

Franklin Central raced to a 21-0 half-time lead over 2-time state champ Indianapolis Chatard in Class 4-A. The only Chatard TD came on an 80-yard kickoff return by Deon Harding in the game's last 49 seconds.

DeKalb, Franklin Central's opponent in the 4-A State Finals, earned its ticket to the Hoosier Dome with a solid 14-6 win over a stubborn Munster opponent.

More than 37,000 fans turned out to see the five games played in the Hoosier Dome a year ago. State championship and state runner-up trophies will be presented by members of the IHSAA Executive Committee after each game. Another highlight will be selection of the Phil N. Eskew Mental Attitude Award winner in each class.

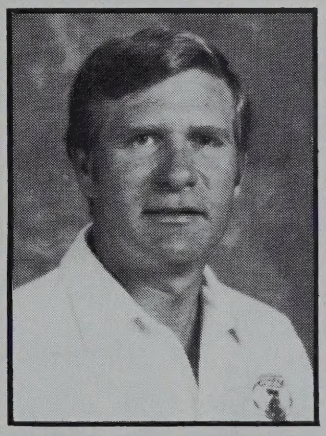
## Bryan Sprunger
## Whitko

Bryan Sprunger's fifth year as Whitko High School football coach already has produced a Three Rivers Conference championship and the school's first trip to a state championship game.

The Bethel College grad who attended high school at South Adams put together a standout football team that swept through all 13 opponents on its way to the State Finals at the Hoosier Dome.

Coach Sprunger who teaches drafting has been a member of the Whitko staff for eight years.

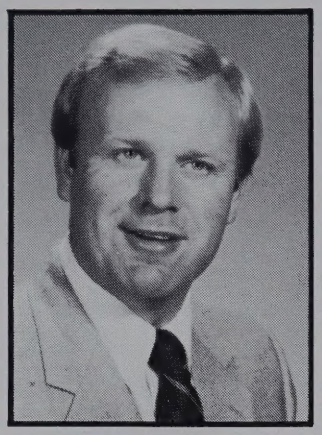


## Mike Spencer
## Tell City

Mike Spencer brings Tell City's Marksmen to the State Finals football tournament with a 10-3 record in his first year as head coach. Mike was defensive coordinator and assistant coach under Joe Talley and Bud George for 10 years starting in 1971.

This is the first appearance in the championship game for Tell City although the Marksmen won the cluster two years ago and have been playoff contenders several times. In the first year of the football play-offs, Tell City lost to state title bound Greenfield Central in the first week of the tournament.

Spencer is a 1964 graduate of Cannelton High School and a 1968 graduate of Murray State College.

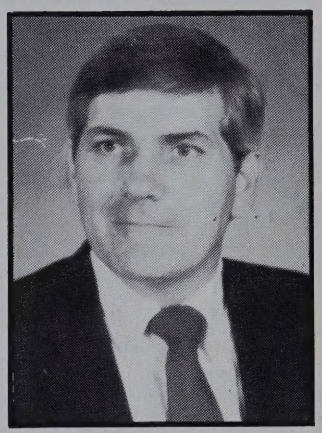


## Jim Andrews
## NorthWood

Coach Jim Andrews' 15th season at the helm of NorthWood is highlighted by a fourth state tourney shot.

The veteran coach who was graduated from Manchester College and received his Masters Degree from Indiana University, has directed his squad to a 12-1 record this season. He's riding the crest of a 110-49 career coaching record that includes three other trips to the state tourney (1974, '80, '84). His teams also have won two Northern Lakes championships and two co-championships.

Coach Andrews took his team to the title game in 1980 losing to Franklin Central, 19-13.



## Mike McGinley
## Cathedral

Coach Mike McGinley is no stranger to the state championship game. His Cathedral Irish made it to the final game in both 1973 and 1976.

Coach McGinley, who took over Cathedral's football fortunes in 1970 when he replaced the veteran Joe Dezelan, has guided the Irish to an 11-2 record this year and 125-33 in his 15 years as head coach.

McGinley, a Butler University graduate, was named Division III Coach of the Year in 1973 and 1976. Butler University's alumni also named him Coach of the Year in 1973 and 1976 and again in 1983.

The veteran mentor was named Indianapolis "Coach of the Year" this season.

## Dale Hummer
## DeKalb

In his sixth season with DeKalb's Barons, Coach Dale Hummer has guided the team to a 12-1 record and first state grid championship game berth.

After dropping 10 games in his first two seasons with the Barons, the 42-year-old coach has directed the team to a 37-16 record.

Hummer was graduated from Southwestern (Tippecanoe) High School and earned his Bachelors and Masters degrees from Purdue University. He then served as an assistant coach at Rensselaer and Martinsville high schools for seven years before taking the head position at Fountain Central in 1973. In eight years at Fountain Central his teams won 67 games and lost only 19. His 1978 team made it to the state finals and three others made the playoffs.

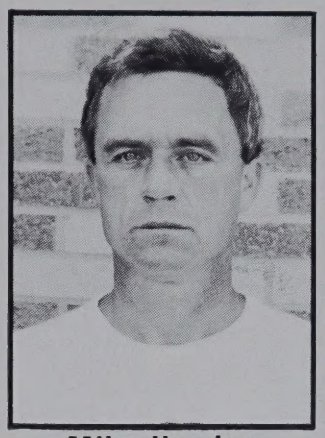
## Chuck Stephens
## Franklin Central

Hoosierland's only three-straight state title winning coach, Chuck Stephens, is back with his Franklin Central Flashes.

Coach Stephens directed his Flashes to a fine 12-1 record this season. And his credentials over the past 12 years with Franklin Central are an amazing 97-39. In one stretch (1979-82) his teams compiled a blistering 48-4 record including three straight championships.

Stephens, who was graduated from Missouri Valley College, has compiled a 117-63-1 record in 24 years of high school coaching.

The veteran mentor got his coaching start at Higginsville High School in Missouri. He also was an assistant coach at Central Missouri State and a head coach at Oak Grove (Mo.) High School before taking the Franklin Central head post.

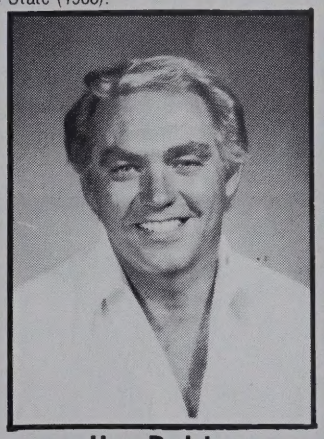


## Mike Hawley
## F.W. Snider

Mike Hawley has had four Summit Athletic Conference champions and three unbeaten teams in his 11 years as Fort Wayne Snider's head football coach. Snider was unbeaten in 1981, 1985 and 1986. Mike has an outstanding 11-year record of 100-21.

The Panthers come to the Hoosier Dome ranked No. 1 in the Class 5-A polls with a 13-0 perfect record and their state championship matchup with Carmel is a replay of the 1981 state title bout. Another 13-0 Snider football team lost to Carmel by a 27-0 score in the 1981 state championship battle. Last year's No. 2 ranked Snider club had an unbeaten season stopped by Valparaiso in the Semi-State round.

Hawley was assistant football coach at Snider from 1970-75 and head track coach from 1971-74. His Snider track team won a state championship in 1974. He is a Winchester High School product (1962) and a graduate of Ball State (1968).



## Jim Belden
## Carmel

Two-time state champion coach Jim Belden is back.

The highly talented head mentor of the three-time state titlist Carmel Greyhounds brings one of the finest sets of coaching credentials into the tournament's final round. Belden's career includes a trio of unbeaten seasons, two state titles with Carmel and a runner-up with Noblesville.

Coach Belden's Greyhounds have carved out a 13-0 slate this season and over the past seven years they're 66-5 with a 16-4 state tourney record. His teams have won six sectional, four regional and three semi-state crowns.

A Butler University graduate, Belden passed up pro football opportunities and took over the helm of the Westfield Shamrocks in 1964. He turned the losing program into a 7-2 winner in his first year. He moved on to Noblesville in 1967 and after starting with a shocking 0-10 campaign posted 12 straight winning seasons.

# INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION, INC.

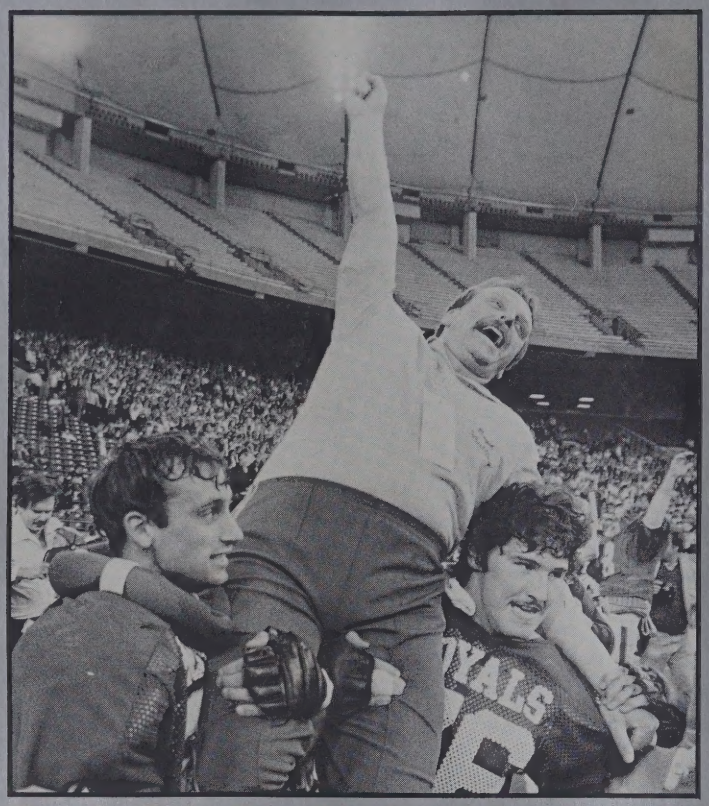
Organized in 1903 as a voluntary, not-for-profit, non-tax-supported association, the Indiana High School Athletic Association, Inc. (IHSAA) is established to encourage and direct amateur athletics in the secondary schools of Indiana.

During 1986-87, 139,000 youth will participate in IHSAA interschool athletics. In boys sports 90,000 will take part in baseball, basketball, cross country, football, golf, swimming, tennis, track & field and wrestling. Girls sports have 49,000 active in basketball, cross country, golf, gymnastics, softball, swimming, tennis, track & field and volleyball. During 1986-87 all of these sports will have a state tournament series conducted by IHSAA.

All Indiana public, private and institutional high schools and junior high schools offering ninth grade are eligible for IHSAA membership if accredited by the State Department of Public Instruction. The membership includes 425 schools (393 high schools, and 25 junior high schools). All member school principals agree to follow the By-Laws of the Corporation.

The legislative body is the Board of Directors. This Board is made up of 15 members elected to three-year terms by the principals of member schools. Ten of these Board members serve their final two years on the Executive Committee, which is charged with interpreting the By-Laws, organizing and directing tournaments, determining penalties, licensing sports officials, and establishing the state office. Member school principals may submit proposals for new rules or rule amendments to the legislative body for consideration.

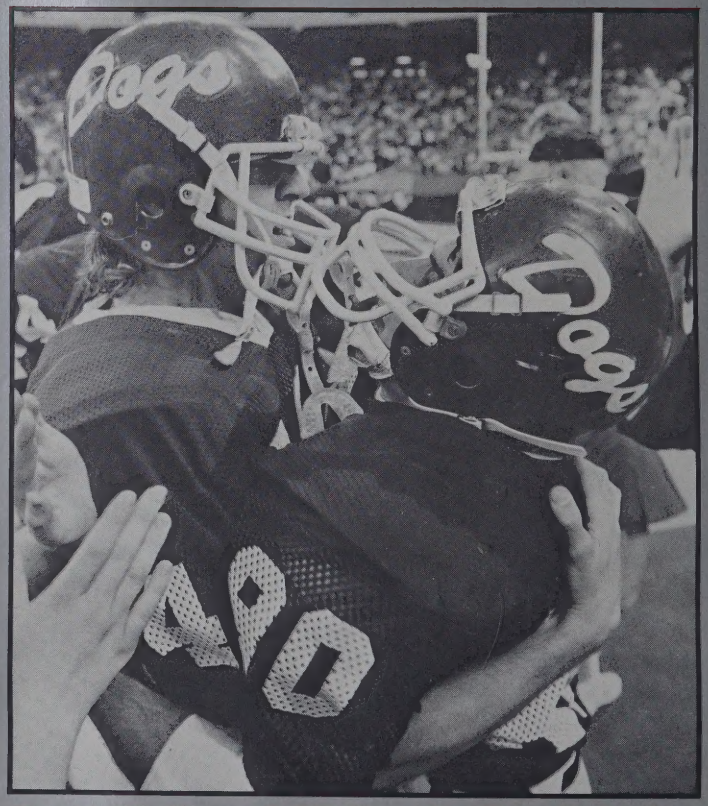
IHSAA's rules of eligibility and contest standards for Indiana schools and youth correspond closely to the rules recommended by the National Federation of State High School Associations and are commonly enforced in other states. The National Federation participates actively in the formulation of policies and game rules which establish standards for interschool competition.



Coach Bob Copeland celebrates 20-7 Eastern Hancock victory in Class A.

Roncalli's Joe Gillum rambles for 3 TDs and 201 yards in 37-0 Class AAA sweep.

Cal Miller scored 3 times for Fort Wayne Luers on way to 2A championship.



Scott Wells and QB Dan Gatlin clicked on last play to give Brownsburg 4A title.
